Buy Local Fair 2024

Saturday, June 8, 11am-5pm * Lynn Family Stadium

The Louisville Independent Business Alliance is preparing our community event focused on our local, independent businesses at our annual Buy Local Fair. You are invited to be part of this meaningful and popular event.

New location, same awesome Buy Local Fair! We've continued our relationship with Louisville Water, but both agreed that hosting the Fair wasn't a fit for either of us anymore. We thought we found our home last year at Waterfront Park (they were great!), but had a surprise offer from Lynn Family Stadium. It has perks that we think will make the Fair easier to run and will raise more money for LIBA, so that's where we are going to be this year! The Stadium's standard parking fee of \$15 will be split with LIBA to further raise funds for our organization.

The level of support from the community always amazes us. The event has consistently seen attendance in the thousands, and we expect the same in 2024. Attendees come not only for excellent shopping, eating and a good time, but also to show their resounding support for the local independent businesses that make their community unique.

The Louisville Independent Business Alliance is a non-profit organization dedicated to preserving the unique community character of the Metro Louisville area by promoting locally-owned businesses, and educating citizens on the value of buying locally. We are also known by our "keep Louisville weird" campaign, designed to instill pride in area citizens for our local merchants and producers who are unique to our hometown.

Money raised from the event will support LIBA's programs and education efforts throughout the year, including such efforts as the distribution of the *Buy Local Guides*, materials for our member businesses, community outreach that educates the public about the benefits of buying locally, support for our member businesses, etc. For more information about our efforts, visit www.keeplouisvilleweird.com.

Sponsorship of the Buy Local Fair is an excellent marketing opportunity and a way to show your pride in your community. I think you will be pleased with the various benefits provided to recognize your brand. Keep in mind that these sponsorship levels are not absolute. You may have other benefits you'd like to suggest or budgets in mind, and we are happy to customize a package that is mutually beneficial.

Thank you for taking the time to examine these opportunities. I look forward to hearing from you.

Best regards,

Jennifer

Partner with LIBA to bring Louisville's long running Buy Local gathering to thousands of attendees.

Sponsorship Highlights

The Louisville Independent Business Alliance [LIBA] invites you to partner with us in the city's most successful Buy Local celebration. This one-day, 6-hour, festival is the largest Buy Local event of the year, taking place this year at Lynn Family Stadium's Festival Green.

Promotional Campaign

Sponsors will benefit from a marketing campaign comprised of local media outlets including TV, radio, print, electronic [social media, newsletters and websites] and outdoor media. Sponsors also have an opportunity to benefit from advertising in LIBA Business Member retail outlets [over 500], via an event poster. **The Media rollout will begin in late April for the Buy Local Fair.**

Demographic Exposure

The Buy Local Fair appeals to people of all ages and every part of the community. Locally crafted goods, quality entertainment and family activities attract visitors from all over Louisville Metro and Southern Indiana. The Buy Local Fair is a single-source way to reach your target demographic of local consumers and those interested in learning of local options for goods and services.

Enduring Popularity

Vendors of all shapes and sizes consider the Buy Local Fair to be a "must do" event. We fill up quickly with businesses of every variety. While the Fair is predominately retailers with items to sell, there are many service providers (from massage to banking to home renovation) that participate. .

Louisville's Buy Local Fair Elements

Thousands of people are expected to attend this day of family fun and recreation. Music and entertainment will be featured including a local makers market, Iron Chef-style competition featuring all locally sourced food, a Kidpreneur Marketplace and a Kids Fun Zone. Our Trash Talkers offer composting as well as recycling, making this a super green event. The Fair hosts over 150 vendors showcasing goods, consumables and services.
